Open Grain

With a low luster patina hinting at age and glamour, the Open Grain texture boasts deep, linear grain patterns and blends well in contemporary, traditional and rustic design applications.

Tokaj Alder

Tighter, full cathedrals. Rustic yet clean. Tokaj Alder offers a borderline "reclaimed" look in a structure with more movement and character than colder straight-grain designs.

Walnut Tiepolo

Sophisticated, dramatic and finished. Walnut Tiepolo is modern and linear, with enough movement to offer a softer, realistic feel.
